Kalamazoo Bicycle Club

TREASURERS REPORT:

The Club has a balance of \$59.14 in the checking account.

COMMUNITY RIDE:

There was a lot of discussion on the Community Ride the Club is planning to hold in May. The date and starting point will be decided as soon as the Ride Committee meets. We plan to show our safety film and are hoping to get all our new and old members to participate in this event.

RIDE PARTICIPATION:

This year the Club is going to make an extra effort in trying to get new members to join in our rides and activities. There will be a very short route on each ride for those who want it plus a sag person to see that everyone gets back alright. Even longtime members remember when 5 miles seemed like a very long ride.

LEADING RIDES:

We would like to see more members volunteering to lead rides. Just pick your starting point and call Jan McLain, 327-2256 for some maps and call the Ride Captain to let him know what date you want.

ROLLER RACES:

This years Roller Races will be held Saturday, February 20, at the Crossroads Mall in Portage. Registration will begin at 11:00 with races starting at 12:00. Competitors must have a U.S.C.F. license. Anyone interested should call Gordon Vader, 327-9846. Everyone is urged to come and see this very exciting event!

Another membership year has come to an end. It may seem appropriate that the Kalamazoo Bicycle Club membership should expire when most bikes are packed away for the winter. But keep in mind that the K.B.C. is involved in more than bicycling in the summer.

During these cold months many of our members turn their energies to cross country skiing. As with our rides, there is a ski leader who helps organize the start of the ski. Since there are no maps involved, everyone goes at their own pace for what ever distance they are up for. Beginning skiers may like to start with the Tuesday night skis at Milham Golf Course. If you have any questions about a ski, call the leader listed on the schedule.

Some of our members jog or run during the winter months too. The February meeting will consist of a presentation by Annette Murray from Western Michigan University about this activity.

Something else that has increased in popularity during the "off season" is riding rollers. If you are not familiar with this activity, (or even if you are) you may want to come to the Crossroads Mall Mall on February 20th to see some area riders compete in a roller race.

We are now in the planning stages of a Spring Community Ride. The idea thus far is to take this opportunity to get new riders acquainted with the club by offering short riding distances, safety checks, tune-up clinics and the presentation of our movie "Bicycle Safety on the Road". This could be a way to get our new riders to stick with us the rest of the year.

I hope that you will have an interest in what the K.B.C. does through out the year. Your input is important and very much wanted. When you renew your membership jot down what you expect or would like to see from the Club. We need to hear from everyone, beginners and experts alike. Don't wait for good weather to renew. DO IT NOW!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
