WHEELS FOR FAMILY FUN Phil Caruso reminded those in attendance that the Club will have a booth at the Wheels For Family Fun display at Maple Hill Mall March 19 through 24th. Volunteers to staff the booth were requested and were received. Jini Caruso will be staffing the booth on Monday the 19th, the McLains volunteered for Tuesday, the Hageman's for Wednesday. Phil Caruso agreed to attend the booth on Thursday, Sandy Kimbrough on Friday, and Pat Florian on Saturday. Jini agreed to staff the booth on Sunday and dismantle the display. In addition to pictures of Club members in our various activities, there will be roller demonstrations by some of the members.

FOUR LAKES Sandy Kimbrough reported on progress in staging the annual Four Lakes ride which will take place Saturday May 5th at Schriener Park. Sandy reported that the ride will go from Schriener Park to Vicksburg and back with about a 15 mile loop. Ride fees will be \$2.50 (\$2.00 for senior citizens, youths and KBC members). Riders will receive a Four Lakes Patch. League of American Wheelmen patches will also be available at extra cost to those completing sufficient miles.

PROGRAM CHAIRMAN REPORT Rivhard Dinda reported that we have been able to get the use of two films distributed by Huffy Corporation: "Bicycle Driver Education... We Must Do More" and Bikeways for Better Living." One film will be shown Monday July 9th , the other Friday July 20th. NEITHER of these is the date of a regular club meeting. (The films were unavailable for a club meeting day)

RIDE LEADER APPRECIATION Sandy Kimbrough asked whether we were going to have a ride leadership appreciation program this season. Discussion ensued. It was the consensus of those attending that the Club should design and purchase a patch for the three persons who lead the most rides during the coming season.

ROLLER RACES A successful roller race was staged by the Club racers at the Kalamazoo Center. Saturday February 10th. About 13 riders participated and the ride attracted many spectators from the many balconies of the Center. The racers were also able to get some pre-race publicity in the form of a picture of Mike Sawyer and Terry Florian riding rollers that was published in the Kalamazoo Gazette. Thanks go to many people for helping stage the event. Pat Florian spent many hours making the arrangements and then setting up the equipment. Ken Nowakowski and Joe Stegman went to Battle Creek to borrow the roller set from the Battle Creek Club. Sue Florian and Bev Bauer worked registration, Joel Dinda manned the timer. Rick Bauer, Brian Chappell (BC Bike Club) and Red Reiter(Jackson Freewheelers) also helped. Finally, many thanks are owed to Jackie Sills of the Kalamzoo Center, who on a Saturday morning came to the Center and made sure we got the cooperation we needed.
