SEPTEMBER MEETING

September 19
7:30 at Kalamazoo Valley
Community College
Meet at the Tower Entrance

SEPT. 1983

On August 9 at about 8 PM while bicycling back from the time trials, Karin Hart and Donna Ryskamp were struck by a car. Donna was killed and Karin was hospitalized in critical condition with head injuries. The driver of the vehicle has been arraigned on manslaughter charges and the pretrial hearing, originally scheduled for August 19, has been postponed because the only witness, John Hart, is unavailable. At this writing Karin is still in critical condition at Borgess Hospital. John is at her side.

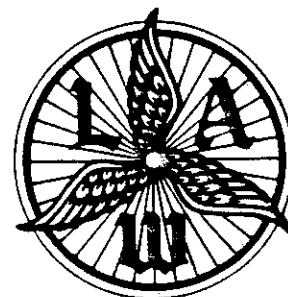

There is a Donna Ryskamp Memorial Fund being established which will pass on funds in Donna's name to either the U.S. Olympic Committee or to the Mothers (And Others) Against Drunk Driving. Checks should be made payable to either organization and forwarded to the Donna Ryskamp Memorial Fund c/o New World Bicycles 5942 Lovers Lane Portage MI 49002.

Some of the members had the privilege of knowing Donna and riding with her. We are greatly saddened by her death.

Karin and John need our support at this time. Those of you who have time, may visit John at Borgess Hospital. You may also wish to donate blood in Karin's name.
