

PEDAL PRESS

**JULY
AUGUST
1984**

NEXT MEETING: JULY 16 at 7:30 in Room 4010-D inside the cafeteria at Kalamazoo Valley Community College. **PROGRAM:** There will be a representative of the American Lung Association to present a slide show about the Sleeping Bear Bike Tour.

AUGUST MEETING: The August meeting will be held August 20 in the same place at the same time. There will be no August newsletter.

KALAMAZOO CRITERIUM

As of this writing there will be a criterium downtown on July 15th. Sunday afternoon. Many of us in the Club have wanted to stage a race downtown for sometime but have not felt it was possible due to the necessity for obtaining approval from the city. By a stroke of luck, it appears approval will be coming. This race offers the chance for considerable exposure to bicycling in this community. In order to make such an event both SAFE and enjoyable we need **VOLUNTEERS** to help on the day of the race. The most important need is to have people available to stand on corners and intersections to make sure cars and spectators do not enter the race course. You need only serve for a few hours. If lots of people volunteer to serve in this capacity for two to two and one-half hours, it will be a small burden and make for a very safe race. **TO VOLUNTEER CALL** Paul Visich at 349-3147. **HELMETS:** Since all racers will be required to wear helmets, it may be useful to have spare helmets to loan the non-USCF racers. If you have one you'd be willing to loan, tell Paul.

VISIT TO MAJOR TAYLOR VELODROME Some of us are contemplating attending the Major Taylor Velodrome in Indianapolis. If you like to watch road racing you'll find track racing fascinating. There will be an international race on July 13, starting at 7:30. Tickets are \$2.50 for adults. If you are interested, call Sandy or Kevin Kimbrough at 381-1724. We would need to leave in the middle of the afternoon of Friday the 13th and we would return around 3:00 AM on Saturday.
