**PRELIMINARY REPORT ON KAL-HAVEN TRAIL BLAZER** The Trail Blazer was held in less than ideal weather. The 230 people who rode anyway only complained about the hail in the late afternoon. A total of 300 people paid fees. With the help of Borges Medical Center and the South Haven Community Hospital hospitals we raised about \$3,000 for the trail. Many of you were generous in offering your help and your help was greatly appreciated.

**COUNTY BICYCLE MAP:** There is a new county bicycle map available in the local bike shops. It is a beautiful map. The price is about \$4.
