MESSAGE TO MEMBERS FROM THE PRESIDENT

I would like to take this opportunity to introduce the 1988 officers of the Club.

Terry Jackson, our Vice-President, will be planning the presentations for each club meeting. He already has some nice ideas but would be willing to consider any suggestions you have.

Steve Daane, our Secretary/Treasurer will be handling the Club's financial aspects and will be willingly collecting membership dues. If your mailing label indicates that it is time for you to renew your membership, see Steve at the meeting.

Karen Torre, our Ride Captain, will be setting up the touring ride schedule each month. she will have an organized book of available maps for ride leaders to choose from if they would like suggestions. Please consider leading some rides in the 1988 season.

Tim Greening, our Race Captain for the second year, will be organizing training schedules for members of the race team and other proficient club members.

Phil Caruso, our Newsletter Editor, will be in charge of assembling the newsletter, keeping the database for the mailing labels and mailing the newsletter. If you are not getting your newsletter or the expiration date that shows up on the mailing label is not what it should be, contact Phil at 381-0135. Also, if you have articles that you would like published in the Newsletter, send them to Phil at the Club mailbox or at his home address: 2301 Fairfield Ave. Parchment, MI 49004.

I am Gail Slaughter, your President. We already have some exiting events planned for this season and will gladly consider any suggestions anyone may have.

Cycling promises to be great in '88

MEETING TIME CHANGE

The beginning time for the Club meeting will be at 7:45. The board plans on meeting at 7:00 on the Meeting nights. Members are welcome to attend the board meetings and participate in the discussion.

Discussion concerning changing the club meeting night from the third Monday of the Month to the first Monday will be held at the January 18 meeting. The reasons for this change would be to give the ride captain and the newsletter editor more time to put together the ride schedule and the newsletter.
