## Tour De Doughnut Ride On Saturday, Oct 9, 1:00 pm

All KBC members should plan on attending the special Club Ride which will feature a stop at the Verhage Cider Mill for fresh apple cider and fresh doughnuts, courtesy of the Club! We are expecting a large turnout for this ride, so put it on your calendar and enjoy a great ride with the colors and free food.

If you are a Club member but have never been on a Club Ride, this is an ideal ride to start with. There will be at least four groups to ride with, ranging from slow touring (8-10 mph) to fast (18-20+). The length of the ride will vary according to which group you ride with. All groups will start at the west end of the KVCC parking lot and will include a stop at the cider mill for refreshments, then a short spin back to KVCC.

Questions? Call Dave Patrick at 382-5818.

## New Club Officers Elected

Jeff Wetters was elected Club President at the August Club meeting as a result of the resignation of Dave DeRight. Jeff will hold the position until November when annual officer elections are held. Asked what lofty goals he holds for the Club during his three months tenure as president, Jeff replied "I'm going to Taco Bell."

Elected at the August meeting to fill the position of Club Treasurer was Jim Wyrick. He will also hold this position until November. The membership would like to thank Jeff and Jim for offering their time and talent to help the Club in its time of need.

## October Club Meeting

The October KBC meeting will take place at 7:00 p.m. on Monday, October 4, and will be held upstairs at the Wayside West restaurant on Stadium Drive. On the agenda is a discussion and vote on the proposed constitution for the Club.

Also on the agenda are Club officer nominations for the coming year. The Bike Club needs active members with good organizational and communication skills to come forward and serve as Club officers. If you have any interest in volunteering, please come to the October meeting or call one of the existing officers. The nominations will be announced in the next newsletter and the elections will be held at the November meeting.

## Revised Constitution Ready For Club Vote

At the October meeting, the Club will vote on the revised constitution that was enclosed in last month's *Pedal Press*. The constitution committee (Jim Wyrick, Jeff Wetters, Bill Watt, and Dave Patrick) has incorporated several suggestions from Club members into the constitution, the most significant of which is that the executive board is reduced to Five Officers. The committee feels that this constitution will let the Club operate more efficiently and we ask that you support it at the October meeting.

## CBS to Rebroadcast Tour Coverage

CBS will rebroadcast its 1993 Tour De France coverage on October 16, at 5:0 p.m. Due to scheduling problems in July, Tour coverage turned into a short, muddled, incomprehensible mess. Tune in, in October to see total bike stud Miguel Indurain win his third consecutive TDF by a margin of almost five minutes.
