

# Ride Our Routes 2021 – Shared Use Pathways

**What?** Ride Our Routes 2021 – Shared Use Pathways (ROR21-SUP) is a Summertime FUN-RAISER that invites you to get outside on your bike and pedal along 50+ miles of Shared Use Pathways (SUPs), like the Kalamazoo River Valley Trail, in Kalamazoo County (and a bit beyond). Bicyclists riding these SUPs will ride nearly border to border, east-west and north-south, across our beautiful county. Use “More Info” QR Code on the left, and look for the ROR21-SUP link to learn more.

**What’s more?** You can get a t-shirt to commemorate your ROR21 accomplishment. How?

- Ride along all SUPs shown on the map sometime during June-September 2021
- Record your rides on the backside of this form and submit it at one of our four local bike shops or Gazelle Sports. You will be eligible to purchase a t-shirt commemorating your ride.
- NOTE: Participants 15 years old and younger who successfully complete ROR21 and submit an entry form will earn a FREE t-shirt.

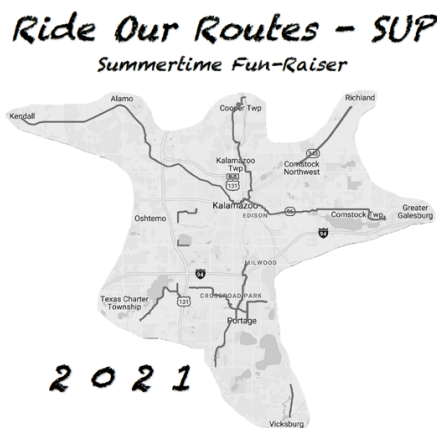

**When?** Summer (June-September) of 2021

**Who?** YOU and your friends.

**Where?** The map for ROR21-SUP (below and in Google MyMaps - use the “SUP Map” QR Code below) guides cyclists along all Shared Use Pathways in Kalamazoo County. Suggested routes, of different lengths, across the county are available on the Kalamazoo Bicycle Club website at the ROR21-SUP page. The “More Info” QR Code below will also take you to that page.

SUP Map QR Code

**Why?** ROR21-SUP offers opportunities for bicyclists of all ages and abilities to be outside riding bicycles and introduces them to our remarkable Shared Use Pathways in the Kalamazoo area.

**How?** Kalamazoo County road maps and entry forms (see backside of this page) are available at our four local bike shops and Gazelle Sports. Ride your bike on all SUPs, fill in your entry form, and drop it off at one of the local bike shops or Gazelle Sports. Be sure to print your name and email address legibly on the entry form. ROR21 organizers will certify entry forms and send a validation code via email to each participant. Validation codes will allow participants to order and pay \$10 for a t-shirt. ROR21 t-shirts will be available in the Fall of 2021.

So dust off your bike, lube its chain, pump up those tires, and ride, ride, ride. And remember – wear your helmet. See you riding ROR21 this summer!

Kalamazoo Bicycle Club organizers of *Ride Our Routes 2021* thank the Road Commission of Kalamazoo County for the county road maps and Kalamazoo Sportswear and Regalia for design and printing of t-shirts. We also thank **Gazelle Sports, Kzoo Swift, Pedal Bicycles, and Zoo City Cycle & Sport** for distributing and collecting entry forms.
